															Pre-Registration <i>LUCSUS</i>						
Mon - 9th October																					
Registration & Coffee/Tea <i>Universitetshuset</i>	Opening Plenary Words of Welcome: Torbjörn von Schantz, Vice-Chancellor, Lund University, Frank Biermann, Earth System Governance Project and Vasna Ramasar, Conference Chair Opening Address: Monika Griefahn, Former member of the German Parliament and co-founder of Greenpeace Germany Opening Keynote: Erik Olin Wright, Department of Sociology, University of Wisconsin Oran Young Prize 2017 <i>Universitetshuset Aulan</i>	<i>Fika - Universitetshuset</i>	Environmental justice in earth system governance - Labour and Business <i>LUCSUS Room 116</i>	Lunch Break Open Oceans Governance Task Force Meeting <i>AF-Borgen Storm Salen</i>	Environmental justice in earth system governance - From local perspectives to global norms <i>Josephson Ostrom</i>	<i>Fika - Universitetshuset</i>	Semi-Plenary Environmental Justice Foundation in Earth System Governance hosted by LUCSUS <i>AF-Borgen Lilla Salen</i>	Welcome Reception hosted by LUCID <i>Universitetshuset</i>													
			Conceptual understandings and progress - Sub-national climate governance and Business <i>Palaestra Övre</i>		Conceptual understandings and progress - Sustainable Development Goals <i>Palaestra Övre</i>		Semi-Plenary Interconnections between Sustainable Development Goals and the Paris Agreement: implications for equitable earth system governance hosted by DIE <i>AF-Borgen Nya Salen</i>														
			Science and activism - Science-policy interaction <i>Pufendorf Room 104</i>		Science and activism - Knowledge to action <i>LUCSUS Room 117</i>		New Directions for the Earth System Governance Project <i>Palaestra Nedre, Övre</i>														
			Theory and methodology - Urban Resilience <i>LUCSUS Room 117</i>		Theory and methodology - Carbon Pricing in the New Politics of Climate Change <i>Palaestra Room 105</i>																
			Earth system governance in turbulent times - Governing Technology <i>Josephson Ostrom</i>		Earth system governance in turbulent times - Governing the Future <i>Pufendorf Room 104</i>																
			Conceptual understandings and progress - Adaptation <i>LUCSUS Library</i>		Urban Experimentation for Earth System Governance? <i>LUCSUS Library</i>																
			How should we conceptualize Nature and Society in the Anthropocene <i>Palaestra Room 105</i>																		
Tue - 10th October																					
Coffee & Tea <i>Palaestra</i>	Semi-Plenary Are we stuck? Exploring New Directions for Decarbonisation Research hosted by the Lund University Dept. of Political Science <i>Palaestra Nedre</i>	<i>Fika - Palaestra</i>	Environmental justice in earth system governance - From local perspectives to global norms <i>Josephson Ostrom</i>	Lunch Break Open Planetary Justice Task Force Meeting <i>AF-Borgen Storm Salen</i>	Environmental justice in earth system governance - Climate mechanisms <i>Palaestra Övre</i>	<i>Fika - Palaestra & LUCSUS</i>	Environmental justice in earth system governance - Citizen Participation <i>Josephson Maathai</i>	Conference Dinner & Party <i>Grand Hotel</i>													
			Conceptual understandings and progress - Water Governance <i>Josephson Carson</i>		Conceptual understandings and progress - Science policy interface <i>Josephson Ostrom</i>		Conceptual understandings and progress - Reinventing Decarbonisation <i>Palaestra Övre</i>														
			Science and activism - Civil Society <i>LUCSUS Room 117</i>		Earth system governance in turbulent times - Non-state actors in Earth System Governance <i>Palaestra Nedre</i>		Environmental justice in earth system governance - International Relations <i>Palaestra Nedre</i>														
			Theory and methodology - Scalar issues in governance <i>Pufendorf Room 104</i>		Conceptual understandings and progress - New Areas of Earth System Governance <i>LUCSUS Room 117</i>		Theory and methodology - Participatory allocation tools <i>LUCSUS Library</i>														
			Earth system governance in turbulent times - Climate Negotiations <i>Palaestra Övre</i>		Earth system governance in turbulent times - Transboundary Water Governance <i>Josephson Carson</i>		Earth system governance in turbulent times - Scale <i>LUCSUS Room 117</i>														
			Earth system governance in turbulent times - Planetary Politics <i>Palaestra Nedre</i>		Earth system governance in turbulent times - International Relations <i>Pufendorf Room 104</i>		Environmental justice in earth system governance - Private sector actors <i>Josephson Ostrom</i>														
			Wild Wild East: Leapfrogging to the Top. New Horizons for the Earth System Governance Project <i>LUCSUS Library</i>		Urban Governance Book Project <i>LUCSUS Library</i>		Environmental security for non-stationarity <i>Pufendorf Room 104</i>														
Wed - 11th October																					
Coffee & Tea <i>Palaestra</i>	Semi-Plenary From Science to Action: What role do scientists play in activism? hosted by LUCSUS <i>Palaestra Övre</i>	<i>Fika - Palaestra</i>	Conceptual understandings and progress - Polycentric governance <i>Palaestra Nedre</i>	Lunch Break Open Earth System Law Task Force Meeting - Open Ecological Democracy Group Meeting <i>AF-Borgen Storm Salen</i>	Environmental justice in earth system governance - Adaptation <i>LUCSUS Library</i>	<i>Fika - Palaestra & LUCSUS</i>	Environmental justice in earth system governance - Climate equity <i>Palaestra Övre</i>	Conference Closing <i>Universitetshuset</i>													
			Earth system governance in turbulent times - Certification and private actors <i>Palaestra Övre</i>		Conceptual understandings and progress - Anthropocene Encounters <i>Palaestra Nedre</i>		Conceptual understandings and progress - Ecological Democracy <i>Palaestra Nedre</i>														
			Theory and methodology - Social Theory <i>Pufendorf Room 104</i>		Conceptual understandings and progress - Ecological democracy <i>Palaestra Övre</i>		Earth system governance in turbulent times - Biodiversity Management <i>Josephson Carson</i>														
			Environmental justice in earth system governance - Biodiversity <i>Josephson Ostrom</i>		Environmental justice in earth system governance - Energy Justice <i>LUCSUS Room 116</i>		Earth system governance in turbulent times - Climate Coalitions <i>Pufendorf Room 104</i>														
			Earth system governance in turbulent times - Governing the commons <i>LUCSUS Room 117</i>		Conceptual understandings and progress - Energy <i>Josephson Ostrom</i>		Theory and methodology - Quantitative methods for governance <i>LUCSUS Room 117</i>														
			Earth System Law Workshop <i>LUCSUS Library</i>		Environmental justice in earth system governance - Sub-national governance <i>LUCSUS Room 117</i>		Environmental justice in earth system governance - Energy Justice in Earth System Governance <i>Josephson Ostrom</i>														
					Urban Governance Book Project <i>Pufendorf Room 104</i>		Special session on Harvesting Initiatives on Adaptiveness <i>LUCSUS Library</i>														
Thu - 12th October																					
Earth System Governance Teaching Workshop by registration <i>LUCSUS Room 117</i>																					
BECC Workshop by registration <i>LUCSUS Library</i>
